

Lieutenant Governor's Awards of Excellence in Architecture

INVITATION TO SUBMIT
FROM THE

NEWFOUNDLAND AND LABRADOR ASSOCIATION OF
ARCHITECTS

The Newfoundland and Labrador Association of Architects (NLAA) is pleased to invite all licensed Newfoundland and Labrador Architects to participate in the competition for the **2014 Lieutenant Governor's Awards of Excellence in Architecture**. This inaugural tri-annual competition fulfills a critical role in recognizing and promoting excellence in the Newfoundland and Labrador built environment.

DEADLINE FOR SUBMISSIONS: Friday, August 29th 2014 from 12:00pm to 3:00pm

OBJECTIVE

The objective of the **2014 Lieutenant Governor's Awards of Excellence in Architecture** is to recognize and celebrate outstanding architectural design as demonstrated by projects recently completed in construction in Newfoundland and Labrador by members of the Newfoundland and Labrador Association of Architects.

This award will provide:

- Recognition of outstanding architectural design by members of the Newfoundland and Labrador Association of Architects.
- An opportunity to celebrate the achievements of members of the Newfoundland and Labrador Association of Architects.
- An opportunity to increase public understanding of the context and fabric of Newfoundland and Labrador architecture and to increase public understanding of how architecture reflects the society that builds it.
- An opportunity to highlight the social, cultural, historical and economic forces expressed in Newfoundland and Labrador's built environment.
- An opportunity to foster the value of architecture in our daily lives.

ELIGIBILITY

Projects built in Newfoundland and Labrador, which were completed between January 01, 2010 and December 31, 2013 for which members of the NLAA were the lead design Architects, registered with the Newfoundland and Labrador Association of Architects and the Architects Licensing Board of Newfoundland and Labrador at the time of construction completion, are eligible to be submitted. Any built work may be submitted including new construction, renovation, restoration, and additions to existing buildings; urban, rural or suburban works, of any project size. Projects completed outside of the dates indicated above are not eligible for consideration for this competition.

AWARDS

- This competition will result in the awarding of one Lieutenant Governor's Award of Excellence in Architecture and up to three Awards of Merit in Architecture.
- The projects will be judged on their own merits, there are no categories of project types.

D. AGREEMENT:

Submission of an entry to the **2014 Lieutenant Governor's Awards of Excellence in Architecture** grants

- All rights to the NLAA for unrestricted publication of any of the material contained in the submission. Permission from Owners/Clients and Photographers is the responsibility of the entrants and must be obtained before making a submission. Project credits will be given to the best of NLAA's ability. The name and owner of the project may be omitted from publicity releases if so desired and if indicated with the submission.
- Ownership of the submission to the NLAA.
- While every precaution will be taken to safeguard submissions, the NLAA will not be responsible for loss or damage.

3. PRESENTATION FORMAT

A. PRESENTATION LAYOUT:

- The submission shall be as follows: a maximum of three {3}, A1 {841 x 594 mm} size presentation boards. Boards will be displayed in a portrait format, with the 594 mm mounted horizontally and the 841 mm dimension mounted vertically.
- Boards are to be foam core, 12.5 mm thick. All material is to be spray mounted to the boards.
- A copy of the submission shall also be provided on a CD.
- The expectation is that the boards will be of a professional quality.

B. PRESENTATION CONTENT:

- Board number 1 shall contain a short statement outlining the objectives and significance of the project, how the project demonstrates a response to the objectives and which summarizes for the jury why the project is considered worthy of recognition. The remaining space on Board number 1 and the other two boards may be used for digital images, electronic photographs, drawings, renderings, and text, in colour, black and white or combination, at the discretion of the entrant to fully describe the submission with special consideration for the artistic excellence of the design, including such elements as conceptual clarity, design principles, detailing, creativity, innovation and uniqueness.
- Do not send originals.
- Jury members will consider the quality of the project presentation as well as the project itself in their deliberations.
- Do not include any fold out inserts, attachments or projections on the
