Invitations

City Thermo Pane with the collaboration of AGC Flat Glass North America and Laurier Glass cordially invite you to a "**Lunch Box learning session**".

Jeff de Waal, Architectural manager from AGC and Darrell Demers, Sales manager from Laurier Glass will be at this session to provide you with information on the different products we have to offer. This session is to inform you of the new full range of Low E available and the many commercial products we have such as Solarshield products, Reflective glass, "Tendance" Spandrels, spacers and many more.

- Where: CourtYard by Marriott Hotel, St-John's NL
- When: January 19th, 2010
- Time: 10:00 am to 1:00pm

We are looking forward to meeting you at this very important session that will offer you and your staff a lot of information to bring back with you for your future projects. If you see the need to meet with us one on one to talk about specific projects or for more information, please feel free to reserve time with us.

If you need more information on this session you can reach the following:

Jean-Francois Duguay
